EGG DRAWS LONG TERM

Brown, Who Shot Detective, Given Seven Years; Boy Auto Thief Must do Five Years

Seven men were given penitentiary terms ranging from one year to seven years by Judge Bedmond S. Cole in the district court today. All the defendants had been found guilty by the court last week, excepting the boy auto thief, who was given five years.

John Brown, 70 years of age, was given the longest sentence, seven years, on conviction of having snatched a car, drawn with the intent of blowing it up, and then, during the night, was unhooked and driven away. The charge of snatching with intent to kill, which was made against him when he shot the detective, was dismissed when he admitted guilt to the charge of snatching.

John Smith, 17 years old, was given six months, sentence of one and five days in the penitentiary when he was found guilty to a charge of auto snatching. The one year term was served at the same time as his five year one.

John Green was given two years and six months, a bad check, signed in the name of L. L. Riddle.

John L. Linn was sentenced to five years when found guilty of calling E. McAdams from his home on Main Street, shooting him and robbing of his watch. The fact that McAdams was not sure of Linn's identity saved the defendant from being fifty years, the maximum.

John W. H. Johnson, 17 years old, was given six months, sentence of one and five days in the penitentiary when he was found guilty of calling E. McAdams from his home on Main Street, shooting him and robbing of his watch. The fact that McAdams was not sure of Linn's identity saved the defendant from being fifty years, the maximum.

AN AUTOMOBILE belonging to W. S. Bailey Jr., 1222 South Union street, was taken from a garage Monday morning early and stripped of all accessories after being pulled several blocks from the garage.

MEETING OF THE Joe Carson chapter of the American Legion will be held at 8 o'clock Wednesday night at the municipal auditorium when members who joined in the recent campaign will be formally admitted to the club.

C. C. GRACEY, instructor in agriculture in the city schools, has left the city for the summer and during his absence A. E. Wickizer, principal of the農業 school, will be in charge of garden work among the school children.

THE INSURGENCY for negroes operated by the tuberculosis society will open Tuesday and Thursday afternoons from 1 until 2 o'clock. Negro physicians will be in charge of the dispensary.

Mrs. JUILLIE GOLAY and Mrs. B. B. McMinn of the local Red Cross chapter have returned from Dallas, Texas, where they attended the conference of the Red Cross chapters of the southwestern district. The attendance at the conference was 250.
